Anemos Luxury Grand Resort is excited to announce our victorious accolades at the World Luxury Awards 2023, earning the “**Best Luxury Family Resort**” and “**Best Luxury Spa Retreat**” title as the **Global Winner**, the “**Best Luxury Romantic Beach Resort**” in Europe, and the “**Best Luxury Spa Resort**” in Southern Europe.

Founded in 2006, the **World Luxury Hotel Awards** offer international recognition to the luxury hotel industry as voted for by its guests, travelers, and industry players. Each year, over 300,000 international travelers vote during a four-week period to determine the winners. Throughout its history, Anemos has consistently participated, winning distinctions in every category in which it has been nominated.

These prestigious awards affirm our dedication to delivering world-class experiences to our guests, raising the bar in luxury hospitality.
